CONDITIONS OF ACCEPTANCE

In addition to the conditions listed here, all conditions that are part of the contract with

parents, the fees refund policy and other school policies also apply.

- 1 Although an elementary level of English is desirable no student will be refused acceptance due to their level of English, as all levels of English proficiency are catered for at **Buller High School**
- 2 Students and parents/legal guardians must accept and abide by rules regarding behaviour and conduct that apply to all students. Unacceptable behaviour may result in the termination of tuition.
- 3 Students must observe the laws of New Zealand. All disputes will be dealt with in New Zealand law.
- 4 Students must observe the conditions of their Visa and Student Permit. If a student breaks the terms of the visa/permit, the school will report the fact to the New Zealand Immigration Service, which may result in the student having to leave New Zealand.
- 5 Because class placements are decided on the evidence of assessment after arrival in New Zealand, **all** information given before enrolment about placement on courses and in classes is **provisional**. The school reserves the right to adjust placements and individual programmes at any time, if it is in the student's interests to do so.
- 6 The student will attend the school on all occasions when it is open unless prevented by illness or other urgent cause.
- 7 Tuition may be terminated if the student fails to comply with the school rules or breaches the conditions of their visa.
- 8 Tuition fees will be paid in full before enrolment, or before enrolment is renewed (whichever applies). All additional costs (as outlined in the school prospectus) will be paid promptly, as required.
- 9 The conditions of the Fee Refund Policy will be accepted
- 10 All students are required to have travel and medical insurance for the duration of their period of enrolment. The school can arrange insurance unless students choose to make their own arrangements, in which case proof must be provided that the insurance purchased is adequate. The school will keep a record of the policy number.
- 11 All international students must live in one of the following types of accommodation:
 - i. With their parents or legal guardians (proof of legal guardianship must be supplied).
- 12 The school's complaints procedure for international students will be used to deal with grievances.
- 13 The student and/or parents will provide academic, medical and other information that is relevant to the wellbeing and course placement of the student.

CHANGE OF ADDRESS

- 14 Parents must inform the school of their address, telephone numbers, fax number and e-mail address. The student and/or parents will advise the school of any change type of accommodation (e.g. a change from living with parents to living with a designated caregiver) and any change in the contact details of the student and/or parents.

REFUND CONDITIONS for INTERNATIONAL STUDENTS

If a student withdraws from his/her course of study before the completion date, he/she may be eligible for a refund of tuition fees. The following procedures and guidelines would apply:

To be eligible for any refund:

- The parents must apply in writing to the Board of Trustees setting out the special circumstances of the claim within one month of the last day of attendance.

If the application is made before the start of the course:

Fees will be refunded in full less the administration charge of \$55. This includes if a student is not granted a student permit to attend Buller High School

If the application is made after the start of the course, but before the second half of a course:

Fees will be refunded less:

- An administration charge of **NZ\$55**(GST inclusive)
- Costs to the school already incurred for tuition
- Components of the fee already committed for the duration of the course
- Specialist fees
- Appropriate proportions of salaries for teachers and support staff (if applicable)
- Costs already incurred for the use of facilities and resources
- Any other costs already incurred

If the application is made after the second half of a course:

- There will be no refund except under exceptional circumstances. (*See also Compassionate Refunds below*)

Compassionate Refunds

- In exceptional circumstances, refunds may be granted on compassionate grounds, (e.g. death of a close family member, serious illness, accident). All such refunds will be at the discretion of the Principal and the Board of Trustees,

If an international fee-paying student gains residency during the course:

- No further fees are to be paid and a refund may be made on the unused portion of the prepaid fees. The new resident will then abide by the school enrolment scheme if one is in place. Documentation of residency must be provided within 14 days of it being granted.

The Board of Trustees will make no refund:

- Where a student has been stood down, suspended or excluded
- Where a student returns home for any reason other than serious illness or death of a close family member.
- If the enrolment application is found to be inaccurate in any way and the contract is terminated.

CURRICULUM PROGRAMME

Programmes at Buller High School commonly feature the following:

- learning activities in which students investigate issues and solve problems of interest to them
- a balanced curriculum which emphasises discovery and exploration; and encourages higher order thinking as keys to successful learning
- opportunities to see the relevance of learning by applying it in a practical way to solve real problems
- learning activities and experiences (both in and outside school) which enable all students to succeed regardless of previous achievement
- schemes that are not so prescriptive that they stifle creativity and the opportunity to capture the teachable moment

Teachers adapt the programme to the students to ensure the curriculum focus for each student is on personal development as well as on academic achievement.

We focus on educating the whole child, emotionally, intellectually, socially, personally. Students are challenged with opportunities to participate in a range of academic, cultural, sporting and technology programmes.

ORIENTATION PROGRAMME AND SUPPORT SERVICES

Students will be provided with a proper orientation process. The Buller High School Principal is primarily responsible for the orientation of the students and their on-going welfare within the school community. This will be done in close liaison with the classroom teacher and the Principal.

The Orientation Programme will include

- On the student's first day, he/she will be met by the Teacher Responsible for International Students and shown their classroom. All students will be mainstreamed immediately upon arrival with a small group withdrawn for further orientation, English testing, and teaching as required. Assistance with academic planning is given, if required.
- The classroom teacher will be responsible for ensuring the new student has a buddy group consisting of two or more other students whose role is to help the new student with daily routines, timetables, and activities during the breaks. He/She will also ensure the student knows where to find the sick bay, tuck shop, toilets etc.
- Orientation will include school layout, rules and regulations, counselling, support systems and resources available.
- Information on banking, local travel systems, familiarisation with New Zealand laws, culture and learning will be provided.
- The Teacher Responsible for International Students will continue to monitor the student during the first few weeks while the student settles into the class and the school. The teacher will also be available for support of the students, the classroom teacher, and the parents/caregiver.
- Once the initial period is over, the Teacher Responsible for International Students will continue to monitor the student and his/her progress through informal meetings, ESOL teaching times, and where necessary through formal meetings with the student, the classroom teacher, and/or the parents/caregiver.
- Translators will be made available where necessary. These may be another student or an adult, depending upon the situation and the requirements.
- Parents/caregivers and students need to know that Buller High School has an 'Open Door' policy. At any time they may make an appointment to see the classroom teacher, or the Teacher Responsible for International Students to discuss any queries or concerns.

STUDENT WELFARE

WHAT DO YOU DO IF YOU HAVE A GRIEVANCE?

We want you to be happy at Buller High School. There are times however, when things do not go as smoothly or as well as we may like. Here are some ideas about what you can do about it.

Problems with a teacher

1. Make a time to talk to your classroom teacher about your concern.

If your concern is the classroom teacher, make a time to talk to the Teacher responsible for International Students who is the Buller High School Principal.

- a. After a few days, if you do not think the problem has been solved by your classroom teacher talk to one of the Deputy Principals, Glenda Earle or Alan Dobson.

Problems with school friends

1. Take the time to talk to your teacher or Guidance Counsellor about your concern

2. You can also talk with our talk to the Deputy Principal. He/she is very helpful, especially with broken friendships. You can make an appointment at the Office.

At all the above meetings, notes will be taken of your concerns and of the solutions put in place.

If, after all the above have been tried, it is felt that your problem has not been resolved, then the student/parent may contact the International Education Appeal Authority, whose address is:

New Zealand***

***Phone: (64 9) 374 5481
Fax: (64 9) 374 5403
Email: info.ieaa@minedu.govt.nz***

You must be able to show them that you have tried to get the school to act before you contact them. They will consult the school to see if anything can be done to help you.

If you do have a problem, please ask for help while it is still a little problem. Do not wait for it to become a big problem. If you are not confident that your English is good enough you can always bring a friend who has better English.

We hope your stay at Buller High School is a happy one.

PROCEDURES THAT APPLY WHEN A STUDENT WITHDRAWS / IS NOT ATTENDING THEIR COURSE

If a student withdraws from school:

1. It must be in writing by the parents prior to the student's last day, giving the date of the final day of attendance and the reason for leaving and the Immigration Service will be notified.
2. The Refund Policy for International Students shall apply.

If a student is not attending their course:

1. In the case of absences, the parent/caregiver must follow the normal school procedure of notifying the school in the morning of every day of the absence.
2. Where the student is absent with no reason then the parents will initially be contacted by the school for an explanation. If truancy occurs then a family meeting will be held and contingencies put in place. If this does not rectify the situation then the enrolment will be terminated and the Immigration Service notified.
3. If the student does not attend for more than twenty consecutive school days then the school will, in writing, notify the parents/caregivers that the enrolment has been terminated and the Immigration Service notified. However if the parents have previously notified the school in writing that the student will be absent for a period of time, with the full reason for the absence, the place shall be held, providing all fees have been paid in full, as required.
4. If the student is withdrawn from or ceases to attend the school the Board of Trustees will notify the New Zealand Immigration Service.

CIRCUMSTANCES IN WHICH TUITION MAY BE TERMINATED

1. Where a student is absent or consistently truanting from school (*see above*) then the signatory will terminate the enrolment.
2. If a student's behaviour is of an unacceptable level, then a meeting with the student, the parents/caregiver, and the school will be arranged. If the behaviour does not improve, written notification will be given to the parents warning of the danger of termination of the enrolment. If there is no further improvement, the parents and the student will be notified in writing that the student must leave at the end of that term, or earlier if the school decides, and will not be eligible to return the following term. There will be no refund of fees paid if this occurs.
3. An 'acceptable level of behaviour' would be seen as following the school rules and the school 'Code of Conduct' as provided to each student.
4. If an enrolment application is found to be inaccurate in any way the contract may be terminated at the school's discretion.
5. Upon termination of enrolment, the Immigration Service will be notified as required.

SUMMARY CODE OF PRACTICE FOR THE PASTORAL CARE OF INTERNATIONAL STUDENTS

Introduction

When students from other countries come to study in New Zealand, it is important that those students are well informed, safe, and properly cared for.

New Zealand educational providers have an important responsibility for international students' welfare.

This pamphlet provides an overview of the "Code of Practice for the Pastoral Care of International Students" (the Code), and provides a procedure that students can follow if they have concerns about their treatment by a New Zealand educational provider or agent of a provider.

What is the Code?

The Code is a document which provides a framework for service delivery by educational providers and their agents to international students. The Code sets out the minimum standards of advice and care that are expected of educational providers with respect to international students. The Code applies to pastoral care and provision of information only, and not to academic standards.

When does the Code apply?

The Code commences on the 31st of March 2011. Educational providers then have six months to sign the Code. Between the 31st of March and the 30th of September 2011 you will need to check with the Ministry of Education if your provider is a signatory to the Code.

Who does the Code apply to?

The Code applies to all education providers in New Zealand with students enrolled on international study permits. The Code is mandatory to these providers and must be signed by them.

What is an "international student"?

An "international student" is a foreign student studying in New Zealand.

How can I get a copy of the Code?

You can request a copy of the Code from your New Zealand educational provider. The Code is also available online from www.minedu.govt.nz/goto/international.

How do I know if an educational provider has signed the Code?

The New Zealand Ministry of Education will maintain a register of all signatories to the Code. This list will be available from www.minedu.govt.nz/goto/international. If the educational provider that you are seeking to enrol with is not a signatory to the Code, you will not be granted a permit from the New Zealand Immigration Service and you will not be able to study at that institution.

What do I do if something goes wrong?

If you have concerns about your treatment by your educational provider or by an agent of the provider, the first thing you must do is contact the principal, the international student director, or another person who has been identified to you as someone that you can approach about complaints at your institution. The Code requires all institutions to have fair and equitable internal grievance procedures for students and you need to go through these internal processes before you can take the complaint any further.

If your concerns are not resolved by the internal grievance procedures, you can contact the International Education Appeal Authority (IEAA).

A summary of the Code of Practice for the Pastoral Care of International Students

The Code sets standards for educational providers to ensure that:

high professional standards are maintained

- the recruitment of international students is undertaken in an ethical and responsible manner

- information supplied to international students is comprehensive, accurate, and up-to-date
- students are provided with information prior to entering into any commitments
- contractual dealings with international students are conducted in an ethical and responsible manner
- the particular needs of international students are recognised
- international students under the age of 18 are in safe accommodation
- all providers have fair and equitable internal procedures for the resolution of international student grievances

Full details of what is covered can be found in the Code itself.

The Code also establishes the IEAA and the Review Panel to receive and adjudicate on student complaints.

What will the IEAA do?

The purpose of the IEAA is to adjudicate on complaints from international students. The IEAA will investigate complaints and determine if there has been a breach of the Code. The IEAA has the power to impose sanctions on educational providers who have committed a breach of the Code that is not a serious breach. These sanctions include an order for restitution, publication of the breach, and / or requiring that remedial action be undertaken.

The IEAA will refer complaints that are not about pastoral care to another regulatory body if appropriate.

The educational provider will be given a reasonable time to remedy the breach. If the breach is not remedied within that time, the IEAA may refer the complaint to the Review Panel.

The IEAA can determine if it considers that a breach of the Code is a serious breach. If the breach is a serious breach, the IEAA will refer the complaint to the Review Panel.

What can the Review Panel do?

The Review Panel can remove or suspend an educational provider as a signatory to the Code, meaning that the provider would be prevented from taking any more international students. Only the IEAA can refer complaints to the Review Panel.

What is the International Education Appeal Authority (IEAA)?

The IEAA is an independent body established to deal with complaints from international students about pastoral care aspects of advice and services received from their educational provider or the provider’s agents. The IEAA enforces the standards in the Code of Practice.

How can I contact the IEAA?

You can contact the IEAA at:
